Jayachandran  
Karumathil, M.Sc. CEng  
Head of Marine  
Classification Divisional

*“The team at BizCloud Experts responded to my request in “NO TIME.” I was impressed with both Siva and Tarun — the two were hands on with the project and immediately had things configured for my production team. Things went very smoothly and I have agreed to signed a 90-day maintenance contract with the BizCloud team – this will allow my team a chance to evaluate the AWS platform, let’s see how things go.”*
